

Monday, September 9, 2019

6:00-8:00pm **Welcome Reception & Networking**
Kimpton Aertson Hotel,
2021 Broadway, Nashville, TN 37203

Tuesday, September 10, 2019

Time	Topic	Speakers
8:00am	Welcome	Cliff Goodman Gillian Hooker
8:15-9:30	Opening Session: The State of Genetic Medicine in the US Healthcare System	Margaret Anderson Jim Jirjis Esteban López
10:00-11:30	Panel: Connecting Data in a Disconnected System How does test order, result, and reimbursement data flow through the system from one stakeholder to another? What data is needed across the system to enable good decisions about test orders, downstream action, and reimbursement?	Priscilla Alfaro Mira Irons Kenneth Mandl
11:30-1:00	Lunch & Discussion	
1:00-2:20	Panel: Rights, Responsibilities & Opportunities in Genetic Information What are our obligations to protect data? Who can own, sell, and buy patient data? What cybersecurity concerns exist, and are they different for different types of patient data?	Kate Black Stephanie Devaney James Hazel
2:40-4:00	Panel: The Evolution of Genetic Diagnostics – Models for delivery, quality, coverage, and payment Is the notion of a genetic test a transitory concept? If so, what will take its place? If we separate wet lab components from analytic components, how do we measure and ensure quality? What infrastructure is needed to enable delivery & payment?	Steven Goldberg James Lu Vincent Nelson
4:00-5:00	Observations, Insights & Conclusions What are the most useful insights from the first day of discussion? What key questions remain unresolved, either scientifically or in terms of practical application? Wrap up	All
6:00-8:00	Music City at Night – An evening out in Nashville	

Wednesday, September 11, 2019

8:00-8:15	Introduction – Day 2	Gillian Hooker
8:15-9:30	Panel: Precision Medicine in Practical Application How do we realize the potential of genetically targeted therapies? How do we identify candidates and provide equitable access? Ensure the accuracy of test results prior to applying therapeutics?	Kate Donigan Shuvayu Sen Victor Wu
9:45-10:45	Investor Perspectives Trends in genetics and precision medicine at the edge of innovation	Stephen Knight Nick Naclerio Jessica Zeaske
11:00-12:00	Observations, Insights & Conclusions Key areas of focus and next steps for the year ahead	All
12:00-1:00	Closing Discussion: A shared vision for a connected network and next steps. What is next and what is success?	Lisa Alderson Trish Brown Terry Jo Bichell Hunt Willard

Speakers & Panelists

Jim Jirjis, MD Chief Health Information Officer HCA Healthcare	Esteban Lopez, MD Chief Medical Officer, Clinical Strategy & Innovation HCSC (BCBS of IL, MT, NM, OK & TX)	Stephanie Devaney, PhD Deputy Director, <i>All of Us</i> National Institutes of Health (NIH)
Shuvayu Sen, PhD Executive Director, Center for Observational & Real-World Evidence Merck	Kenneth Mandl, MD, MPH Professor & Director, Computational Health Informatics Program (CHIP) Harvard Medical School & Boston Children's Hospital	Kate Donigan, PhD Deputy Director, Personalized Medicine & Molecular Genetics (acting) U.S. FDA
Steve Goldberg, MD VP, Medical Affairs, Population Health & Chief Health Officer Quest Diagnostics	Trish Brown, MS, CGC Director, Americas Payer Partner & Field Market Access Lead Illumina	Kate Black Shareholder, Data, Privacy & Cybersecurity Group Greenberg Traurig
Victor Wu, MD, MPH Chief Medical Officer TennCare	James Lu, MD, PhD Co-founder & SVP, Applied Genomics Helix	Jessica Zeaske Partner Echo Health Ventures
Mira Irons, MD Chief Health & Science Officer AMA	Terry Jo Bichell, PhD Rare Disease Biomarkers & Outcomes Measurement Consultant	Nick Naclerio Founding Partner Illumina Ventures
Margaret Anderson Managing Director Deloitte Consulting	Priscilla Alfaro, MD Chief Medical Officer Zelis	Vincent Nelson, MD VP, Medical Affairs Blue Cross Blue Shield Association
Hunt Willard, PhD Director & Principal Geisinger National	Stephen Knight, MD President & Managing Partner F-Prime Capital	Lisa Alderson CEO Genome Medical
James Hazel, PhD, JD Research Fellow, Ctr for Genetic Privacy & Identity in Community Settings Vanderbilt University Medical Center	Gillian Hooker, PhD, ScM, LCGC (host) VP, Clinical Development Concert Genetics	Cliff Goodman, PhD (moderator) SVP, Comparative Effectiveness Research The Lewin Group
